

Eden Boys

8th September 2025 – 16 Rabi'ul Awwal 1447

Dear Parents/Carer,

Assalaamu Alaikum – 'Peace be upon you'

Eden Foodbank

At Eden Boys' School Birmingham, we believe in the importance of caring for one another and serving our community. With this in mind, we are pleased to let you know that our Eden Foodbank is now open every Friday from 2.30pm to 3.30pm.

The Foodbank is here to support families of our pupils who may be finding things difficult financially, as well as vulnerable members of the local community, including:

- Those without access to public recourse,
- Refugees and asylum seekers, and
- Claimants on Universal Credit who are reduced income and those have been sanctioned by the Job Centre

We will be providing fresh fruit and vegetables, along with non-perishable food items, to help ease some of the pressures families may be facing.

To make use of the Foodbank, families will need to bring proof of identity and meet the eligibility criteria.

We are grateful for your support in helping us strengthen community ties and assist those in genuine need.

Yours sincerely,

Matti Ur Rehman
Principal
